Summary

Talented web designer that excels at aesthetic UI/UIX design, content creation, and social media management. Reliably provide professional quality content tailored to clients' products, needs, and desires. Effective in enhancing display of client's products and services; leading to greater audience approval and further impressing reach.

Experience

Provo Missionary Training Center | Mandarin Chinese Teacher   2023-Current / Provo, Utah

Organize lessons tailored to the needs of students to maximize class experience and quality. Evaluate learning capabilities of those under my stewardship and ensure they understand and are enjoying what is being taught. Coordinate with other teachers to gauge the current conditions of missionaries and how to improve experiences.

- Formulate structured lesson plans for students to obtain consistent learning
- Moderate the efforts of students to provide correction, motivation, and explanations when needed

Sapien Designs | Web Designer   2022 / Rexburg, ID

Upgraded existing client websites to exceed aesthetic appearance of former versions. Transformed websites were results of thorough experimented research and magnified understanding of software, coding practices, competitor examples, and client variables. Solidified relationships and satisfaction between team members and clients via collaboration and negotiation to enhance work operations.

- Constructed high quality and professional websites for company clients which increased company's credibility
- Increased company moral and time management via in office support and task fulfillment

Freelance experiences | Portfolio Growth Projects   2021-2022 / Rexburg, ID

Developed successful "client-agent" relations enabling me opportunities to expand my skills while serving others. Established expectations and mutual understanding with clients; obtaining necessary resources from them to construct their websites. Satisfied clients with tailored websites; magnifying their outcomes

- Discovered various clients on social media who would benefit from my offered services
- Build websites via collaboration with clients so their works stand out more to their audiences

Hackathon Project | Team Project | Leader   2021 / Rexburg, ID

- Coordinated with team members via assigning tasks, assisting the less experienced, and laboring alongside others in coding efforts

Missionary | Church of Jesus Christ of Latter-day Saints   Mar 2017 – Mar 2019/ NYC (All Boroughs)

- Invested 80+ hours per week teaching life improvement truths to people of Chinese nationality
